

1 INT. BEDROOM, 1:00PM

Sierra and Jordan are at Jordan's house recording themselves for a youtube video. They are famous youtube vloggers and they are accepting a challenge to sneak into an abandoned house a few blocks down from where they live. They say that they will arrive at the house around 9:00pm and stay in the house until dusk.

2 INT. BEDROOM, 5:00PM

Jordan and sierra are doing research on the house online.

JORDAN

It says here, the house was built in 1845 and was occupied by the Walton family. A family of a mother, father, a 12 year old boy, 9 year old boy, and 17 year old girl.

SIERRA

What happened, what makes the house so creepy?

JORDAN

According to this article, in the summer of 1962 the family went on vacation to visit family down in Florida, the whole family went except the 17 year old because she had to work that whole week. She stayed at their North Carolina home all by her self and one night, about 2 days after her family left, a fire started.

SIERRA

How did it start? That's crazy!!

JORDAN

Well police never found out how it started, to this day it is a mystery. The girl suffered 3rd degree burns and it says here that she passed away 24 hours later in the hospital.

SIERRA

Oh my goodness that's so sa...

JORDAN

Wait look at this. It says here that when the family was contacted about the fire they quickly left Florida on their way home, it says that at around 2 in the morning while they were driving, there was a mysterious car driving next to them, suddenly the car jerked and hit the families car causing them to fly off the side of the road flipping about 4 times. Everyone was pronounced deceased at the scene. The car that caused the wreck was never found.

SIERRA

Not to be rude Jordan but its already almost 6 and this is really creeping me out. Can we just start getting ready instead of doing more research?

JORDAN

Yeah, I agree. (turns off computer very slowly)

(JORDAN AND SIERRA GET BACK ON THE CAMERA AFTER BEING AWAY SINCE THE LAST SCENE)

JORDAN

"Hey guys were back, 3 hours have passed now and its almost 8 o'clock."

SIERRA

"Ya we've been pretty nervous about this challenge so this past 3 hours we've basically just been watching movies and eating."

JORDAN

"Ok guys well we're gonna start getting ready now and packing our bags for tonight."

SIERRA

(interrupts Jordan at the end of her line) "And make sure netflix is working because without it we will be bored and terrified all night long."

4 OUTSIDE WALKING TO THE HOUSE 8:58PM

 SIERRA

Hey guys were back and were walking to the house and honestly i'm starting to get scared already.

 JORDAN

(starts talks in the back round exactly when Jordan says "the house") Im not looking forward to this guys.

Sierra walks up to the house nervously.

 SIERRA

" alright Guys, were finally here..."

 JORDAN

"Are we sure we want to do this? we could get hurt."

 SIERRA

"Im scared Jordan... but were doing this for them."

Turns to camera.

 SIERRA

"you here that guys, were doing this for you"

5 INT. INSIDE THE HOUSE THE MAIN ENTRANCE

Jordan and Sierra start looking around observing what is around them and they both become fairly anxious.

 JORDAN

"Dude this gives me the chills i don't know if this was the best idea for a challenge."

 SIERRA

Come on, we've had this feeling for almost every challenge we've done, it'll be ok Jordan.

 JORDAN

(nods her head)

" If i die in here ima come back and kill you i swear."

They start to explore the rest of the house and both become more comfortable.

6 INT. BEDROOM UPSTAIRS ABOUT 11:30PM

JORDAN

"I know we are far from the door up here on the 2nd floor but there are no rooms on ground level so this will have to do."

SIERRA

"I guess so, how about we just setup netflix instead of thinking about the worst all night long."

JORDAN

"I agree"

Grabs laptop out of bag and sets it up on their blankets.

Camera fades to black
